The Speaker overruled the point of order.

Mr. DeWolfe offered the following amendment to the resolution:

Amend resolution by striking out the following, towit: "violation of the spirit of our Constitution."

#### RELATIVE TO ADJUSTING CERTAIN STATE PROPERTY RIGHTS.

The Speaker laid before the House, for consideration at this time, the following resolution:

S. C. R. No. 15, Authorizing and directing the President of the Senate and the Speaker of the House to appoint a joint committee to be composed of two members of the Senate and three members of the House, which committee is authorized and directed to confer with a like committee to be appointed by the Legislature of the State of New Mexico with a view to settling and adjusting property rights of persons affected by the decree of the Supreme Court of date of April 9, 1928, in the case of the State of New Mexico against the State of Texas, and to make such recommendations to the Legislature as they may deem wise and proper for the solution of this matter, and to provide for the payment of the expenses of said committee.

Whereas, On December 18, 1850, the southwestern boundary of the State of Texas, between the parallel of 32 degrees north latitude on the north and the mouth of the Rio Grande on the southeast followed the center of the Rio Grande; and

Whereas, On August 4, 1854, the center of the Rio Grande was made the eastern boundary of the territory of New Mexico from the parallel of 31 degrees 47 minutes north latitude to the parallel of 32 degrees north latitude, and such boundary was also the west-

ern boundary of the State of Texas, between said parallels of latitude; and

Whereas, The boundary between the territory of New Mexico and the State of Texas as thus established was a river boundary subject to the ordinary principles of accretion and avulsion as applied to river boundaries generally; and

Whereas, The application to such boundary of the ordinary principles of accretion and avulsion was at all times recognized by the United States and the State of Texas, in surveying and patenting lands, but whereas thereafter, because of the descriptions of this boundary contained in the Constitution adopted by the State of New Mexico in 1911, and because of the allegations contained in the answer and cross-bill filed by the State of Texas on the 21st of April, 1913, in the case of the State of New Mexico against the State of Texas, pending in the Supreme Court of the United States, the Supreme Court rendered a judgment decreeing that the boundary between the State of Texas and the State of New Mexico between the parallel of 31 degrees 47 minutes north latitude and the parallel of 32 degrees north latitude is now in the position which was occupied by the center of the Rio Grande as it ran on the 9th of September, 1850; and

Whereas, By such decision lands theretofore lying in the State of Texas and theretofore granted by the State of Texas to private owners were placed within the State of New Mexico, and by such decisions lands theretofore lying in the territory of New Mexico and theretofore granted by the United States to private owners, were placed within the State of Texas; therefore, be it

Resolved by the Senate and House of Representatives of the Forty-first Legislature of the State of Texas, That the President of the Senate and the Speaker of the House be authorized to appoint a committee of two members of the Senate and three members of the House as a joint committee to confer with the Governor of New Mexico or with a like committee to be appointed by the Legislature of the State of New Mexico, which said committees are hereby authorized and directed at as early date as practicable to investigate the matter hereinabove involved, and if necessary to view the land for the purpose of trying to adjust the matter and make such recommendations back to the Legislature of the State of Texas with reference to a final disposition of the matter as said committee

may deem in their judgment wise and proper for the best interests in the premises. Be it further

Resolved, That all necessary expenses incurred by the committee in the furtherance of the duties assigned to the committee shall be paid out of the contingent legislative fund of the State of Texas on claims properly approved by the presiding officers of the respective houses.

The resolution was read second time and was adopted.

#### PROVIDING FOR PRINTING SESSION LAWS.

The Speaker laid before the House, for consideration at this time, the following resolution:

S. C. R. No. 19, Providing for printing Session Laws.

Whereas, No appropriation has been made for the printing of the session laws of the First and Second Called Sessions of the Forty-first Legislature, now therefore be it

Resolved, by the Senate and the House of Representatives, That the sum of five thousand (\$5000) dollars or as much thereof as may be necessary, is hereby appropriated out of any moneys remaining in the Senate Contingent Fund of the Regular, First, or Second Called Sessions of the Forty-first Legislature to pay for said publication.

The resolution was read second time and was adopted.

#### EXTENDING THANKS TO HON. HAROLD KAYTON AND THE MISTLETOE CREAMERY OF SAN ANTONIO.

Mr. Anderson offered the following resolution:

Whereas, The House of Representatives of the Texas Legislature enjoyed the Mistletoe ice cream party, given through the courtesy of Mr. A. J. White of the Mistletoe Creamery of San Antonio; and

Whereas, Our distinguished colleague, Hon. Harold Kayton, ever thoughtful of the comfort, welfare, and contentment of others, was the committee of one on arrangements; therefore, be it

Resolved, by the House of Representatives of the State of Texas, That we thank the Mistletoe Creameries, through Mr. White and Mr. Kayton, for the enjoyable pleasure of eating the delicious ice cream.

The resolution was read second time and was adopted.

# SENATE BILL NO. 153 ON SECOND READING.

The Speaker laid the bill before the House and it was read second time.

Mr. Barron offered the following amendment to the bill:

## Reason for Vote.

I voted "no" on Senate bill No. 20 because I refuse to compromise with what I believe to be a principle. I do not believe the State laws designed to protect the people in their rights against having their homes and possessions searched without a search warrant, as guaranteed by Article 9 of the Bill of Rights, should be repealed.

The statement has been made that this bill and its companion bill, Senate bill No. 21, are the result of a compromise.

I voted "no" on Senate bill No. 21 for the same reason.

(Signed) MRS. HELEN MOORE.

## MOTION TO TAKE UP SENATE BILL NO. 20.

Mr. Forbes moved that the constitutional rule requiring bills to be read on three several days be suspended and that Senate bill No. 20 be placed on its third reading and final passage.

The motion was lost (not receiving the necessary four-fifths vote) by the following vote:

Amend Senate bill No. 10 by striking out all after the enacting clause and substituting the following:

Section 1. When any person, firm or corporation shall desire to operate over any highway or street equipment for the transportation of extra heavy articles such as cannot be reasonably dismantled, where the gross weight and width exceeds the limits allowed by law to be transported, such person, firm or corporation shall first file with the Highway Commission of this State a good and sufficient bond to be approved by the Highway Commission and in the sum of not less than five thousand dollars payable to the State of Texas conditioned that the person, firm or corporation so filing same will pay to the State of Texas any damages that may be sustained by a street or highway by virtue of the operation of such equipment, such bond to be for a term of one year from the date thereof and providing for successive recoveries to the full amount thereof. The proceeds from the recovery from any such bond shall be paid into the State Treasury and credited to the "Highway Maintenance Fund" and such bond may be sued upon in any court of competent jurisdiction in Travis county, Texas, in any action brought by the Attorney General of this State under the direction of the State Highway Commission.

Sec. 2. It shall be unlawful for any person, firm or corporation to operate the equipment defined in Section 1 of this act unless the bond provided in Section 1 hereof has been filed, and it shall be unlawful for any such person, firm or corporation to operate such equipment unless such person, firm or corporation shall first receive from the Highway Commission or from some

local agent authorized by the Highway Commission a separate permit covering each particular haul or operation where such extra equipment is to be used. Where any such person, firm or corporation has filed an approved bond as provided in this act, it shall be the duty of the Highway Commission, or the agent authorized by it to act, to issue to such person, firm or corporation a special permit covering each particular haul or operation where such extra equipment is used, upon a showing to such commission or agent by the applicant that such operation may be effected without substantial or material damage to the highway or streets utilized. In order to facilitate the issuance of such special permit the Highway Commission shall designate in each county a special agent or agents who shall at all time be available for the purpose of issuing such permits. Such special permit when issued shall show on its face the name of the applicant, the number of the bond on file, the weight of the vehicle and load, and a description of the route to be traversed in such special operation. Provided, no special permit shall be issued unless the applicant has on file at the time of the application for the permit and at the time of the special operation a bond in full force and effect as provided in Section 1 hereof. Upon the issuance of each such special permit the Highway Commission is authorized to collect a special fee of five dollars which shall be deposited in the State Treasury to the credit of the "Highway Maintenance Fund." It is expressly provided, however, that nothing in this act shall prevent the full control of such movement on the streets of cities and towns by the ordinances of such municipalities.

Sec. 3. Any person who shall violate or assist or abet in the violation of this act, or any person who shall operate or cause to be operated any equipment of the kind described in Section 1 hereof and carrying a load of the kind described in Section 1 of this act, without first securing such permit as is provided herein shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not exceeding two hundred dollars.

Sec. 4. The fact that the development of essential commerce of this State makes it necessary upon occasions to transport unusually heavy articles or commodities over the highways and streets of this State and the further

fact that there is at this time no law permitting or governing such unusual but necessary operation creates an emergency and an imperative public necessity requiring that the constitutional rule requiring all bills to be read on three several days be suspended, and the same is hereby suspended and this act shall take effect and be in force from and after its passage, and it is so enacted.

(2)

Amend Senate bill No. 10 by striking out all before the enacting clause and substituting the following:

A bill to be entitled "An Act to provide that any person, firm or corporation desiring to operate over any highway or street in this State extra heavy equipment for the transportation of heavy articles such as cannot be reasonably dismantled, where the gross weight and width exceed the limits allowed by law to be transported, may do so by filing a bond with the State Highway Department; providing for the conditions of such bond; providing for the term and amount of such bond; providing for successive recoveries upon such bond; providing for venue of suits thereon; providing for disposition of the proceeds when recovery is made on such bond; making it unlawful for any person to operate such equipment unless such bond has been filed and unless such person, firm or corporation obtains a permit from the Highway Department or any agent thereof for each particular haul or operation of such equipment; making it the duty of the Highway Department upon filing and approval of such bond to issue special permit; providing for the designation of agents in the several counties; providing for the information to be shown in such permit; providing for a fee to be charged by the Highway Department for each permit issued and the amount of such fee and for the disposition of such fees; providing that it shall be unlawful to violate any provisions of the act; making any violation thereof a misdemeanor and providing a penalty therefor, and declaring an emergency."
